

**For the use of Photographs, Film and Video Recordings of Adults, Children or Vulnerable Adults in Cartwheel Arts publicity and projects**

**Cartwheel Arts** is committed to the protection of children and vulnerable adults involved in our workshops.

We take photographs or video footage solely for publicity or exhibition purposes. These images may appear in our printed publications (including DVD's and CD's), on our websites and associated social media networking sites, or all three. We may also send them to the news media. If you become aware that these images are being used inappropriately you should inform Cartwheel Arts immediately.
